

Wrestling Season is Finally Here

The wait is finally over. A new season is underway for all levels of Wapak Wrestling. The High School and Middle School Teams officially kicked off practice November 15th at the Dan Davies Wrestling Complex. Wapak Kids will take to the mats with their first official practice on the 19th. As always, expectations are high, and we invite all of our fans to get out and promote our sport and athletes at every opportunity. *Wapak Wrestler* is here to help you keep in touch with the program and will provide updates as the season goes on.

As we continue to grow our program, there are a couple initiatives taking place this season that should provide an immediate, and positive impact on the program. These advances will ensure that Wapak Wrestling not only remains a steadfast local power, but continues our pursuit to be a respected state power on the mat.

First is an increase in the number of female Wapak Wrestlers participating in the sport at both the Kids and Middle School level. With the OHSAA sanctioning Girls High School Wrestling, many schools, including WBL schools, have rapidly created girls teams at both the high school and middle school level. While Wapak does not have a recognized female team at any level, we have progressed to the point that it will happen, soon. We have added female coaches to the program and you will begin seeing more of our lady grapplers taking to the mat.

Second is an effort to develop and integrate a functional alumni group that helps grow the program and brings wrestlers from the past back in touch with sport. Class of 1997 alumni Robb Harpster has graciously volunteered to assist in getting the program off the ground.

Lastly, you don't have to wait for the next edition of the newsletter to publish to stay informed. Wapakonetawrestling.com has all your Wapak Wrestling updates, as well as dual meet and tournament results for many area teams.

We look forward to crossing paths this season and, ***Go Skins!***

Coach's Corner

HS Coaching Staff

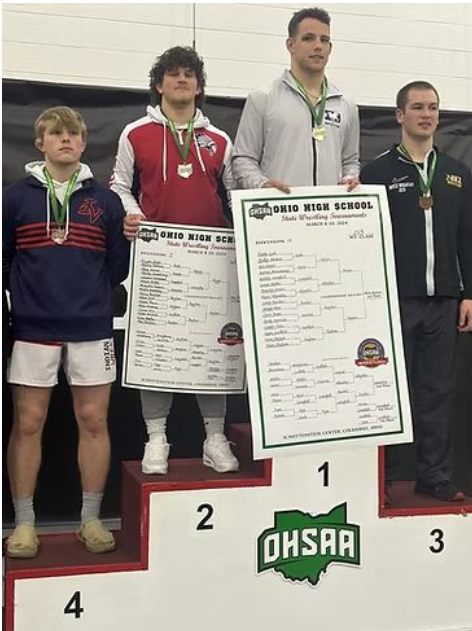

Jason Rostorfer
Tyler Copeland
Logan Erb
Tyler Shipp

We are excited to start another season of Wapakoneta Wrestling. The varsity is looking to defend our 2024 WBL Championship and to continue the streak of 32 consecutive seasons with a State Qualifier. We are returning a strong group of letter winners, led by State Qualifier Wyatt Buell and 2023 State Placer Caden Mellott.

The Nation Federation of High School athletics has implemented new rules for the 2024-2025 season. Takedowns are now worth 3 points, a wrestler has the capability of earning 2, 3, or 4 nearfall points, and the out of bounds rules will align with college wrestling. The idea for these rule changes is to reward aggressive wrestling and to encourage wrestlers to always look to score points.

Finally, we have home competitions on the following dates. Please consider coming out and supporting the Redskins!

Thursday, December 5 = Celina (6:00 pm)
Tuesday, December 10 = Indian Lake and Sidney Tri (TBA)
January 9, 2025 = St. Marys Memorial (6:00 pm)
January 30, 2025 = Kenton (6:00 pm)
February 6, 2025 = Elida (6:00 pm)

Class of 24 Graduate Jace Knous finished as the DII 215lb Runner-up in last year's State Tournament

WAPAKONETA MIDDLE SCHOOL

Coach's Corner

The Middle School Wrestling Team will kick the season off with an expanded roster as well as an expanded coaching staff. As is the standard, expectations are high for this team, not only in the regular season, but in the Ohio Athletic Committee (OAC) post-season. With a seasoned group of 8th graders and a nice incoming crop of 7th graders, the conditions are in place for another successful season. The rise in participation of girls in the sport across the state has not eluded Wapak. We have a very nice core of young ladies working hard and paving the way for an eventual all-girls team at both the middle school and high school levels.

Numbers are up and that is very encouraging. We are expecting to fill all the weight classes with fully capable wrestlers that should provide us the opportunity to compete for championships. We return four OAC State Qualifies including Crue Shaner who placed who placed 8th at 74lbs. The other returning SQs are Bennet Bishop, Cooper Cecil, and Channing Miller. The Team will again compete in the OAC State Duals. Last season's squad took 3rd in the duals.

While has not been uncommon to have a female or two come out for wrestling in years past, this season marks the first time we have seen numbers of significance. We are currently sitting at about ten young ladies who are looking to be the catalyst for a sanctioned all girls team. With the influx of females, we've added Mindy Webb and Destany Page to our staff to coach and develop them.

Other coaches that will work with our young grapplers include Chris Mellott, Levi Cecil, Eric Sammetinger, Brian Brown, Brenan Knueve, Reece Schnarre, and Luke Beach. We are excited for the opportunity this season provides us and hope to see many of you at our matches.

WAPAK KIDS WRESTLING

Coach's Corner

We are getting ready to start our 37th season for the Kids Wrestling Program at Wapakoneta. This season we have 124 kids signed up to wrestle, which is the most we have ever had. Of those 124, 14 of them are girls. Ryan Place is the director of the program and Brent Miller is the head coach. Seth Bowersock, Levi Cecil, and Tyler Copeland help teach technique. We have around 15-20 men and 1 woman that help us out nightly. We have several moms that volunteer their time to help with weigh in, USA wrestling cards, fundraisers, and table help at the tournaments.

The way we compete has changed over the past several years. We are still apart of the MVKWA and compete in six tournaments. We still wrestle on Sundays where each wrestler gets three matches. The end of our season concludes at the Nutter Center. We started doing more duals and have put together a team where this year we will compete in 3 dual tournaments. The boys really enjoy the duals and are always excited for them. We do have wrestle offs to see who competes for us. We have around 15 boys that will compete and try to qualify to OAC this season. Last year we qualified 5 and everyone won a match and had 1 wrestler lose in the placement round. This year we hope to have placers and will also be taking many of our ladies to wrestle. We will keep you posted throughout the season, with updates about training and results.

2024-25 Wapak Kids Schedule

December

wapakonetawrestling.com

Alumni Corner

We are looking to Grow this group and are asking for your help. Please email Robb Harpster with any names or email addresses for others that may wish to join. We will do the legwork to track them down, just asking for you to email us their info! robbharpster@gmail.com

If you are planning to attend any of the tournaments or duals, shoot Robb a message and we will get you in touch with any others that will be there.

Let's support our young warriors and GO SKINS!

Just a few things we are looking at as the group takes shape:

Alumni Night: We are trying to designate one match a year as an Alumni Night where we pack the gym, recognize a team or individual that is in attendance, and then go somewhere in town after the match to socialize and catch up.

Social before Dan Davies Golf Outing: Since we due the golf outing on a Sunday, a Saturday get together of some sort only seems natural.

Pool Days: We have rented the Wapak Pool out for our Wrestlers and families on a couple of occasions. We would like to extend the opportunity for alumni as well.

Dan Davies Wrestling Complex visit: This is available now. If you have not been to the complex, you are missing out. It is pretty special. Everything in the building from mats, to weights, to bikes has been funded thru Wapak Kids Wrestling. Contact Robb or one of our coaches if you want to have a look.

BELIEVE IT ACHIEVE IT

Scholarship Fund: Another initiative we are going forward with is a scholarship that would be awarded to all Seniors that wrestled all 4 years of high school and are attending college or a trade school. For this to be an enduring scholarship, we will need to grow our account with the Wapak Community Foundation. Stay Tuned!
